

# POWER OF THE PURSE

Presented by Women United

## DETAILS

---

6:00 PM – 9:00 PM

STARTING AT \$50 DONATION

Each year Women United of La Porte County hosts Power of the Purse, an exciting designer purse raffle event that brings local women leaders (and men too!) together to have fun, network and support the impact work of Women United and the United Way of La Porte County.

Sponsorship will help us create a unique upscale package featuring a designer purse and other items to raffle off throughout the evening. This is a great way to showcase not only your creativity but your business or organization as well! We need your help to make this year's Power of the Purse a success.

All donations to Women United and United Way of LaPorte County are tax deductible. Please consider joining us this year and help continue the fight towards financial stability for all in LaPorte County.
