

# FROM ELVIS TO THE BEATLES

Featuring the Neverly Brothers

## DETAILS

---

**7:00 PM: DOORS**

**8:00 PM: SHOWTIME**

The Neverly Brothers concerts are a tribute to one of the most exciting chapters in music history: the birth, near death and resurrection of rock n' roll. Their one-of-a-kind high energy stage performances take you on a musical guided tour of rock history - from 1955 to 1965.

The first half of their concert pays tribute to the music created by the 1950s American Rock n' Roll pioneers - which by 1960 had become a distant memory but became the inspiration for the next wave of young rock bands from Britain.

The second half then pays tribute to the 1964 British Invasion bands that re-recorded the forgotten 1950s American rock music - along with lesser known early 1960s rhythm & blues songs, recorded their own original songs and pulled Rock n' Roll from the edge of extinction by re-inventing and re-energizing it for a new generation.
