ECHOES OF CHRISTMAS IS A MUSICAL TRIP DOWN MEMORY LANE, PERFORMING TIMELESS HOLIDAY CLASSICS

SATURDAY DECEMBER 6TH

7:00 PM: DOORS

8:00 PM: SHOWTIME

From Eclipse Entertainment—the group behind the renowned Pink Floyd tribute Echoes of Pompeii—comes Echoes of Christmas: a holiday show unlike any other. Featuring many of the same members of Echoes of Pompeii, this production showcases some of the region's finest musicians and singers.

Echoes of Christmas is a musical trip down memory lane, performing timeless holiday classics from Brenda Lee, Nat King Cole, John Lennon, Celine Dion and more. The show spans multiple eras of Christmas music with stunning authenticity and musicianship, all while channeling that vintage 1960s bandstand nostalgia reminiscent of The Andy Williams Show. It's the perfect mix of Christmas nostalgia, big band energy, and heartwarming holiday spirit!

The evening also features dazzling visuals, a full light show, entertaining skits, unique giveaways, and all the fun audiences have come to expect from Eclipse Entertainment's productions—Echoes of Pompeii, Mr. Funnyman, and Red Revolution.
